Size guide & delivery

Check the product specification before placing an order.

Potz junior hoodie — reference sizing

Proposed AWDis stock hoodie. Chest values are body measurements, not garment widths. Age is a guide only; confirm colour and size availability before ordering.

Size	XXS	XS	S	M	L	XL
Age	1–2	3–4	5–6	7–8	9–11	12–13
Chest (in)	24	26	28	30	32	34

Performance quarter-zip — reference sizing

AWDis JH046 reference garment. Half-chest is measured flat across the front of the garment. Compare with a similar garment that fits you.

Size	S	M	L	XL	XXL
Half-chest	51 cm	56 cm	61 cm	65 cm	69 cm

Other apparel, accessories & cases

Where sizing is marked TBC, the final supplier specification is not yet confirmed. Measure around the chest for garments and around the head for headwear. For cases, measure the longest cue section, butt diameter and any extensions. A 60-inch cue is 152.4 cm; the usable internal case length must accommodate it.

Availability, delivery & collection

This is a preview catalogue, not a live stock list. Planned prices exclude delivery. Selected single-item clothing orders are expected to carry £3.95 delivery, with an estimated 5–10 days across production and transit; final timings and charges will be confirmed before purchase. Long cases and mixed orders require separate delivery quotes. The Potz Starter Pack is planned for free collection at The Tute, Linton.

Visit performancepoolcoachingne.co.uk or potzacademy.co.uk for updates. Digital items will be available only after final release approval. Final product pages will confirm sizes, prices, delivery and returns information.

Reference sizing: AWDis JH046 and Inkthreadable AWDis kids hoodie; checked 26 Nov 2026.
